PROJECTS & ACCOMPLISHMENTS

Portfolio Examples

https://pennyana.github.io/restrainedchaos/

IEEEXTREME · BYUI-I Team 'Coded'
2019

Participated in the 24-hour IEEE code challenge, with 2 other team members; the team placed 579th worldwide and 15th of the 50 teams in Region 6 (Western US).

EXPERIENCE

Internship Class Teaching Assistant · BYU-I CSE Dept.
April 2021-July 2021

Responsible for grading student assignments, coordinating with instructor and fellow Tas, and creating summary reports from previous semesters.

Software Testing Teaching Assistant · BYU-I CSE Dept.
April 2021-Nov 2021

Responsible for content curation and proofreading. Collaborated with instructor to create additional and new course content.

Proofreader · The Good & the Beautiful
2018-2019

Proofread original K-12 curriculum for errors in grammar, content, and punctuation.

Treasurer/ Advisory Board Member · BYU-I Society for Women Engineers (SWE)
2018-2019

Coordinated society's event-planning, purchased supplies, and managed financial records. Provided Nutella.

Python Tutor · BYU-I CSE Dept.
2018-2019

Tutored on-campus CS101 students in Python 3. Also tutored BYU-I Pathways online students on an as-needed basis over Zoom (required familiarity with codecademy courses and Python 2).
